SPECIAL AUDITORS EXAMINE DALY CITY'S BOOKS

MAXIMUM COST \$3000

COUNCIL GIVES PENINSULA FIRM SURVEY CONTRACT

Certified Public Accountant John G. Maddux and members of his San Mateo-headquartered staff Tuesday afternoon began a special audit of Daly City's books, authorized last Friday by the council at a cost that is not to exceed \$3000.

Mayor Edward Dennis said the action was a follow-through by the city council "as we promised the people" to show that the fiscal books are in order. Maddux and his staff will check last fiscal year's expenditures and income, at-

tempting to confirm or correct the fiscal reports recently submitted to the council by Finance Director Joseph Arch and City Auditor Bob Hunter.

Dennis said the full council and City Attorney Paul Hupf were satisfied with Arch's comprehensive report that finances were in order, although both Arch and Hupf have recommended improvements in city budget policies.

"This special audit," Dennis added, "is necessary to show the people that everything is in order."

The council and Hupf last August when City Manager George Watts was fired agreed that a special audit was necessary to determine if there were discrepancies. Arch's report showed that there were over-expenditures by several city departments, but that all funds were accounted for.

Dennis said the Maddux accounting firm was recommended by Councilman Michael DeBernardi. Recently Maddux and his staff audited the municipal books of Belmont and Burlingame.

ELECTRICIAN SAVES LIFE OF TINY GIRL

Ernest Costa, a San Bruno electrician and father of two sons, got the Christmas present of his life here Wednesday morning last week.

The Central Electric Company employee saved the life of a 17-month-old Westlake girl after she almost drowned in the family bathtub.

Costa was working in the new Doelger residences under construction when he saw Mrs. Mario Regalia run from her home at 305 Palomar avenue with baby Judy in her arms. Judy had turned blue and was unconscious. Costa quickly grabbed the tot, breathed life into her through the mouth—when even seconds counted—and Judy was revived by the time Daly City firemen responded with their resuscitator equipment.

Mrs. Edith Evje, an around-the-corner neighbor of the Regalias, also helped in the rescue. It was to her home, 1284 Southgate, that Mrs. Regalia ran with Judy. Costa making full pursuit when he noticed the emergency and sped to help.

Capt. Bob Greenstrand of the Daly City Fire Department told newsmen that "beyond a doubt, Costa's action saved the baby's life."

Costa, who lives at 356 East San Bruno avenue, calmly declared: "I am just glad I was there when I was needed and was able to do the right thing for the baby."

Mrs. Regalia said she was bathing Judy and an older child when the near-fatal mishap occurred.

Goats Move Into St. Francis Heights ... Asked To Leave

Ann Vercelli, 158 Santa Paula drive, reported to police that two goats were eating grass in front of her house Sunday at 1:29 a.m.

Police found the animals roaming a vacant lot at the intersection of San Pedro road and Santa Paula. Both goats were chained together and tied to a sign board.

Their owner, Enny Papazian, who lives on San Pedro road in Colma, said her husband would retrieve the goats.

Rifles Among Thief's Catch On Peoria St.

Anastasia Pastras, 39, of 94 Peoria street, a housewife, said she left her home for about an hour last Thursday, and when she returned from shopping discovered \$378 worth of articles missing from the house.

Officer Charles Munday said the thief, possibly a teenager, had gained entry through a garage door. Missing were two 22 caliber rifles in leather cases, five cartons of shells, a woman's wristwatch, a ring and \$35 in cash.

Sergeant Jerry Galindo dusted the scene for fingerprints.

CAR ACCIDENT AT MOTEL LEADS TO ARREST HERE

Avis L. Nordstrom, 33, of 6843 Mission street, told police that Westley F. Emmett banged into her car when he tried to negotiate a turn into the Mission Bell Motel driveway.

Emmett, who lives at Unit 47 of the same motel, was arrested on a drunk charge. Emmett, 44, gave "none" as his occupation. Both his auto and the woman's were slightly damaged.

Officers Rich deLosa and William Schumacher said Emmett was very intoxicated, his speech "slurred and incoherent." Schumacher noted Emmett admitted he had been doing a little drinking. Emmett was released on \$26.50 bail and is to appear in municipal court this Thursday.

225 Youngsters Will Benefit From 'Operation Santa Claus'

Approximately 225 youngsters will benefit from Operation Santa Claus, the ninth annual collection of toys and food by the Daly City Fire Department, the United States Marine Corps Reserves, and numerous community groups.

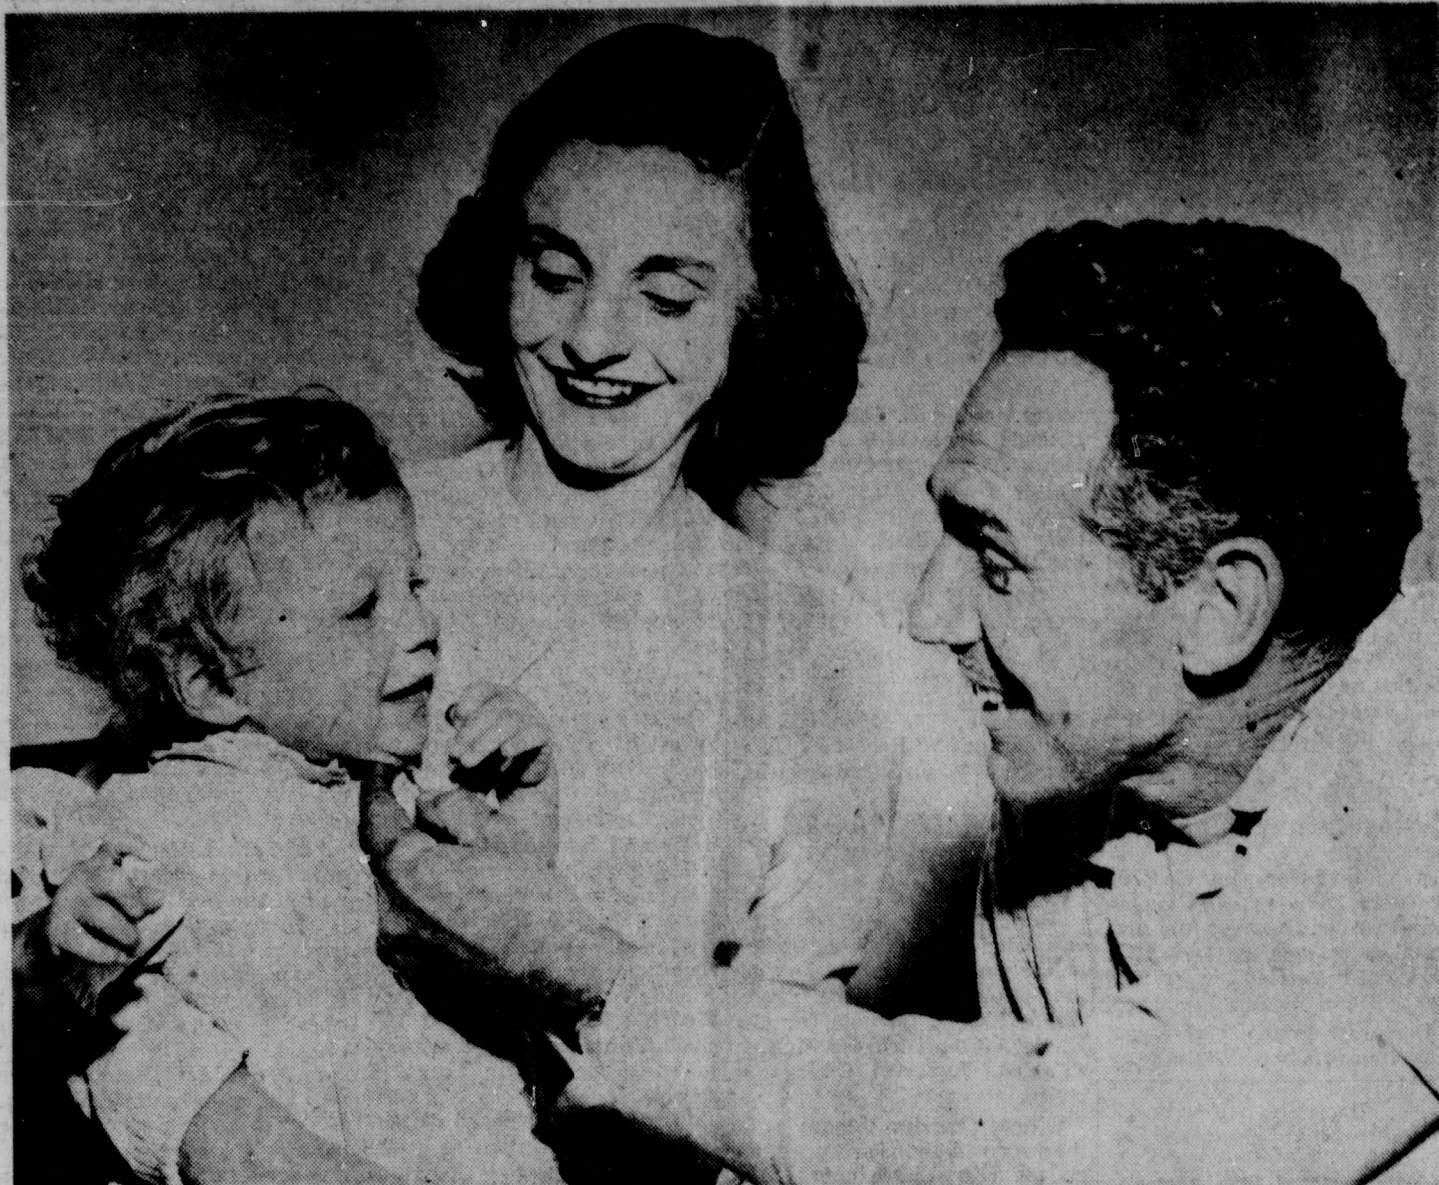

Pete Markovich, Daly City Chamber of Commerce spokesman, said there are 70 families with 225 underprivileged children needing toys and food baskets for Christmas. Response thus far is good, but more items are needed. Donations will be accepted at Central Fire Station in Westlake, or the Chamber of Commerce, 6454 Mission street, Daly City.

Markovich, Fire Chief Elmer Kennedy and Saint Vincent DePaul Society representative Jack Colthurt are coordinating the dual project.

The trio are handling distribution of the toys, clothes and food so that duplication will not take place.

The largest donations thus far was 60 pairs of shoes from Ken Colvin and the Civitan Club of San Francisco. Other groups which have donated include:

DC-Colma Lions Club, U.S. Marines, St. Vincent DePaul Society, Daly City Fire Department, Veteran Firemen, Daly City Fire Department Auxiliary, Westlake Catholic Men's Club, Beta Sigma Phi Sorority, Broadmoor Presbyterian Church members, the Eagles Auxiliary, Temple Judea, St. Martin's Episcopal Church members, Rotary Club, South San Francisco Elks, American Legion and the Volunteer Fire Department.

PICTURE almost tells the story best as Ernest Costa, a San Bruno electrician working in Westlake, gets a rewarding smile from 17-month-old Judy Regalia as her mom, Mrs. Mario Regalia, 305 Palomar avenue Daly City, looks on. Costa saved the tot's life last week by applying mouth-to-mouth resuscitation after Judy accidentally was submerged in the family bathtub, turned blue and was unconscious. Working nearby, Costa rushed to the frantic housewife, grabbed the baby and quickly revived her before DC firemen arrived.

Perceptive Cop Captures Trio

Three Peninsula auto thieves were tripped up last week because the car they had stolen lacked a 1959 license sticker.

Officer Al Nicolini noted there wasn't a sticker on the license plate of the car he spotted at Mission street and Crocker avenue. He stopped the trio at Mission and Whittier streets about 1:30 o'clock in the morning.

Jimmie Dean Ludwick, 22, 2730 Frontage road, Redwood City, showed Nicolini an instruction permit when the patrolman asked for his driver's license. Ludwick said the car belonged to a San Mateo woman. A check from the police station disclosed there was no such street address in San Mateo.

Ludwick, a salesman, and James D. Cokinos, 18, a cook, of 1388 Woodland avenue, San Carlos, and George Stockdale, 21, of 565 Bell street, East Palo Alto, were all booked and later turned over to the San Mateo Police Department.

The 1953 convertible belongs to May Minoz, 522 Roosevelt avenue, Daly City.

Ironically, all three suspects have cars of their own. Cokinos, when asked why they stole the car said, "Mine is no good... bad clutch, you can't get over 50 and he (Ludwick) was complaining about a rod knock in his."

ONE-ACT PLAY

'Phoenix Too Frequent' Here Promises Laughs, Fresh Talent

Three ambitious young adults who have satisfied Bay Area audiences form the cast of "A Phoenix Too Frequent," Christopher Fry's lively comedy, scheduled this Saturday evening at Daly City's War Memorial building.

The curtain goes up at 8:30 o'clock. Tickets sales indicate Daly City residents will give the Improviso players a warm reception.

The one-act spectacle, received very well in culture-conscious Palo Alto, runs almost two hours. The performers, directed by Henry Stein, are Sandra Archer as Doto, Ruth Rideout as Dynamene, and William Graham as Tegeus. Each has had extensive experience in various Little Theater presentations, many of these at SF State College.

Fry, author of other such

well-known plays as "The Lady's Not For Burning," and "Sleep of Prisoners," borrowed the plot for this comedy from the Satyricon of Petronius (circa 66 A.D.).

The scene is a tomb outside the city of Ephesus in Asia Minor. Dynamene, a spry young widow, has decided to join her husband, Virilius, in the underworld by "fasting, thirsting and crying" to death. She has brought her maid, Doto, along for company. While Dynamene is asleep, Tegeus, a young soldier who has been guarding the bodies of six executed men, enters the tomb to eat his supper.

His poetic soul is stunned by the idea of a woman sacrificing herself for love, and he realizes that the world isn't so gloomy

New Pershing School Bids Due Dec. 21

Bids will be opened by Jefferson Elementary District officials on December 21 for the new General Pershing school, a replacement for the existing plant at 631 Hanover street.

The replacement will contain four classrooms, two kindergartens and an administrative unit. Construction is expected to begin about eight months, beginning next month.

Completion of the new facility which will house two kindergartens and first and second graders, will bring the demolition of the present school, overcrowded with 336 students, kindergarten through third grade, at present.

Architect for the new Pershing is Angus McSweeney, who also is in charge of the George Washington K-6 project. Trustees hope to be able to

open bids on the \$406,000 Washington K-6 School next month. Expected to be ready for students late next year, Washington will contain 12 regular classrooms, a kindergarten, library, multi-use room and administrative unit. Center of this site is the present Meussdorfer property between Whittier and Lowell streets near the San Francisco boundary line.

E. H. Moore Construction company this week began pouring foundations at the 12-classroom Fernando Rivera School in Westlake Basin north of the

MARINE Corps reserves, Daly City Fire Department and community leaders get together for the ninth annual Operation Santa Claus whereby toys are collected for needy children and distributed at Christmas time. From left: fireman Harvey Cross, in charge of repairing broken toys; Captain Douglas V. Stowell, 7th Infantry Battalion, USMCR, San Bruno; Tony Newhoff, Westlake Catholic Men representative; Pete Markovich, DC Chamber of

Building Pace In November Wasn't Heavy

New construction in Daly City last month reflected an expected seasonal slowdown, as total building permits amounted to only \$230,913 in new valuation.

The 46 building permits were headed by 11 new homes, valued at \$176,557. Twenty-eight alterations to dwellings totaled \$39,031. Other permits were two commercial alterations, \$6100; repairs to one fire damaged home, \$4000; one Doelger apartments swimming pool, \$3900, and three signs, \$1325.

Council Meeting Monday Evening

The Daly City council will meet in regular session at 8 o'clock next Monday night at 75 Wellington avenue, second floor.

The agenda will include an award of a construction bid for the new Westlake library.

Council Cuts City Manager Field To Two

Daly City councilmen within the next two weeks will visit the cities where five city manager candidates are employed to get further information

from and about the applicants.

Meeting again Monday night in Westlake to discuss the five men recommended by the State Personnel Board, the council all but narrowed their preference to two of the five. All five men presently are employed as city managers in California, according to Mayor Edward Dennis.

Dennis said the council hopes to announce its selection by the first of the year. The job here, by council policy, will mean a minimum starting salary of \$15,000.

DIRECTORS TO BE SELECTED FOR HOSPITAL

Mayors' Committee working for a 300-bed north county hospital today are drafting names of prominent labor and business leaders in Daly City, Pacifica and South San Francisco to form a preliminary board of directors for the proposed hospital district.

Dr. Sanford Marcus of Westlake, head of the sixty-member Physicians' Committee, said appointment of this board of directors would be followed by a study of all the facts and finally the request to county supervisors for a special election next year to establish a hospital district.

Last mayors' meeting here was attended by Dr. Harold Chope, director of the county health department; Leroy Burton, chief hospital construction consultant, state department of health, and Dr. Carl Hoag, member of the Peninsula Hospital District board of trustees.

Chope declared that there should be high priority here in securing state and federal funds for the proposed district, adding that eventually two north county hospitals will be needed if residents are to be adequately provided with hospital facilities.

Chope and Dr. Hoag noted that there now exists more of a pressing need for a hospital than in 1947 when the Peninsula Hospital District was first established. He added Marcus and Mayors Jean Fassler and Andrew Rocca that planning for the north county hospital at least should call for a facility with a minimum of 300 beds, so the north county won't be caught short, as did Peninsula Hospital District directors who underestimated needs and eventually had to enlarge their facilities, necessitating a public campaign for support and passage of bonds.

Marcus has no doubt that an election for establishment of the district can be placed on the county ballot in 1960. Within the next few months, the Mayors' Committee and board of directors will finalize their objectives for the election.

A 12 to 15 cents hike in the tax rate is probable to finance the hospital, Marcus revealed, figuring that a good hospital would cost at least \$25,000 per bed. State and federal grants will be requested to help the financing, and a site that is equally accessible to DC, Pacifica and SSF has to be pinpointed by the committee and board of directors.

The Mayors' committee is scheduled to meet next Tuesday evening, and on January 5 at Colma School at which time board of directors appointments will be made.

House Burglar Gets \$40 Here

Mearl Tangren, 61, 262 Crocker avenue, Daly City, told Officer Steve Steen that \$40.30 in cash was taken from his residence last Thursday between 7 a.m. and 4:30 p.m.

Tangren said that he had booted the rear door and made sure the latch on the front door was locked when he left in the morning. He noted that all of the drawers in his bedroom bureau had been gone through and a tin box containing the money was gone.

Other valuables were left untouched.

DC's Birthday

(Continued from Page 1)
massive parade, no doubt, will be a highlight, and for the first time the "entire community will be expected to participate," he added.

A week-long observance may be authorized and representatives of other Peninsula cities plus state and federal government officials will be invited. Radio and television coverage also are possibilities.

Noting that Daly City's current population is close to 40,000, Bodien last week declared, "this city should be proud of its growth and stature and I think all residents should be eager to help us advertise the community and how we feel about it."

Councilman Micheal DeBernardi reminded the council at the same meeting that the 50th birthday fete probably would involve an expenditure of quite a bit of money. He suggested that this fact should be given special concern come next June when the new fiscal budget adoption deadline occurs.

Mayor Dennis lauded Bodien for his sustained interest in the forthcoming event and instructed him to go full speed with the planning.

'Phoenix Too Frequent' Here

(Continued from Page 1)

after all. Subsequently, Dynamene awakens and becomes intrigued by the sincerity and perhaps masculinity of the young soldier. The widow then doesn't know which to choose—self-sacrifice for her departed spouse or this new love with Tegeus. Meanwhile, the maid is numbed via the spirits of alcohol and is unaware of the philosophical turnabouts of the male and matron. Dynamene soon sees the light, Tegeus accepts a "compromise" to save his status with the militia, and Doto sobers up in time to weave a satisfactory ending.

The presentation is a spritely affair and the technique applied by the trio in matching the author's emphasis should be the measuring yardstick applied to the budding thespians.

Tickets are \$1.50 general admission and 75 cents for students. For reservations, call JU 6-2596 or BA 1-4122.

California has more than 100,000 miles of roads.

DALY CITY LISTINGS WANTED

Steel Shortage Delays Finish Of Two Schools

Shortage of steel and difficulty finding brick masons has caused a delay in the expected February 15 completion of three new Daly City elementary schools.

Jefferson Elementary Superintendent Richard Foster today said the three plants, designed by Architect Angus McSweeney and being built by one contractor, won't be finished at the same time.

Foremen on the projects are going full speed, however, and if materials continue to flow in and tradesmen aren't interrupted by bad weather, the delays won't be too extensive.

Foster said Thomas Edison, on the southwest side of the two-school site between Lincoln and Southgate avenues, might be ready on time—February 15. Abraham Lincoln K-6, located on the southeast corner of the same land, is behind schedule, as is Daniel Webster K-6, located in St. Francis Heights off Cerro avenue and El Dorado drive.

Double sessions at Vista Mar Elementary School off Southgate, between Bradley drive and Brooklawn avenue, should end, Foster believes, once Thomas Edison is ready for students. Kindergarten through sixth graders who eventually will be assigned to Edison and Lincoln currently are attending Vista Mar.

On the northeast corner of the Lincoln and Edison sites will be located the district's new administrative headquarters. Foster said final plans for this facility are being studied by the administration and school board.

Westlake Attends Sales Convention

Daly City's E. A. Demarest, Armour and Company Grocery Products Division sales representative, will attend the national sales meeting December 10 and 11 at the Sir Francis Drake Hotel in San Francisco.

Demarest lives at 791 South Mayfair avenue in Westlake.

New Pershing

(Continued from Page 1)
park. This K-6 facility will house 451 students and should be finished before next September. It occupies six usable acres and construction cost is \$411,000.

In other progress reports, Superintendent Richard Foster told trustees this week that work on the music room at Benjamin Franklin and addition of three new classrooms at Olympia is on schedule.

Police Check Gang Fight In Front Of Jeff

Eight men were involved in a fight in front of Jefferson High School Sunday after four of the men thought the second group had been following their wives and bothering them. Upon a further check it was found that the second group were driving a different colored car.

After Officer Al Nicolini and Sergeant Charles Terry arrived the men of "Group A" apologized to those of "Group B." The men in the second group, however, said they would come to the police station and lodge a complaint.

Those in the first group were: Ronald D. Fahy, 18, 424 Hillside boulevard; James D. Hines, 21, Shelter Cove, Pedro Valley; Eugene Caruso, 24, 344 Holladay avenue, San Francisco; and James L. Morris, 25, 424 Hillside boulevard.

"Group B" participants were: Joseph J. Stagnaro, 18, 1875 Junipero Serra boulevard; Roger A. Rathmuler, 25, 502 Midway avenue, Paul M. DelBraccio, 24, 1537 Hillside boulevard; and Robert E. Conner, 18, 574 San Diego avenue.

CRANE DAMAGED AT RESERVOIR IN PALISADES

Approximately \$100 damage was done to a hoisting crane at the new Daly City reservoir at the end of Skyline drive, Duane Kelley, foreman for the E. Bean Company, 479 Center street, Redwood City, told police.

Officer Charles Munday said the crane was apparently broken over the weekend. Munday said juveniles apparently did the damage.

Yard Foreman Arrested For Drunk Driving

Patrick M. Harrison, 43, 175 Los Banos avenue, a yard foreman, was arrested for drunk driving Sunday at 9:30 p.m. after police had called a taxi cab for him and he had promised not to drive his car.

Officers Richard Sims and Matthew Murray found Harrison moving back and forth, a drive of 20 feet forward and then backward, at the railroad tracks on School street. When Harrison got out of his auto he was staggering and had trouble standing, the policemen said.

Sims called a taxi and the man promised he wouldn't go back to his auto. Fifteen minutes later Sims spotted a car going 60 miles per hour on Junipero Serra boulevard. The auto was swerving from the lane it was in to the shoulder of the road. Police caught up with the auto at Nantico and Knowles avenues, though they had been using the red light and siren long before that.

Harrison alighted from the car. He was taken to Junipero Serra Hospital where a sobriety test was performed. He was released on \$525 bail.

Expensive Rings Reported Stolen

June Marie Merkel, 1 Ashland drive, told Officer Charles Munday that two rings valued at \$1000 and a pair of gold cuff links worth \$6 were taken from her home between November 24 and December 2.

She said the rings were placed in a box in the closet on November 24. When she went back to get them to send them to jewelers for repairs they were missing.

Munday said there were no signs of a forced entry.

Charge Colma Man With Non-Support

Samuel Ward Ballard, 44, of 550 Clark avenue, Colma surrendered himself at the Daly City police station last Thursday on a San Jose-Alvion Judicial District court warrant charging him with non-support.

The car salesman was released on \$262.50 bail and is to appear in San Jose Municipal Court on December 30.

Auto Jack Stolen

George E. Martinez, manager of the Standard Station at 7198 Mission street, stopped Officer Matthew Murray while the latter was on routine patrol and told him a \$300 auto jack had been stolen from the service station last Saturday.

Martinez, 917 Hemlock avenue, South San Francisco, said

TRUSTEES NIX RELOCATION OF CLUBHOUSE

Jefferson Elementary District trustees this week subtracted \$16,700 from the estimated total of \$56,038 it will cost the city and the school district to make improvements at Westlake Park in connection with the Fernando Rivera elementary school.

Supt. Richard Foster and trustees declared it would be impractical for the district to spend the \$16,700 to move the clubhouse 100 feet south of its present locale, but JESD authorities are ready to expedite improvements on the shared-use site with the city's cooperation.

Students at the school, which should be ready to open next September, will use Westlake Park for playground area during school hours, while the park will be open to the general public at all other times.

The city's share of the school-park project involves paying half the cost of a pedestrian overpass across Lake Merced boulevard (providing access to the park and school) and half of the cost of a stairway down to the park from Alemany boulevard.

Under earlier terms between the city and school district, the latter would have had to pay the entire \$16,700 for relocating the clubhouse.

Foster said that while this relocation would provide more parking space for both school and park operations, it would be a heavy expenditure. He recommended and trustees agreed that the district should ask the city to leave the clubhouse at its existing location.

In other business the board awarded the waterproofing bid for the administration unit and multi-use room at Ben Franklin School to E. J. Finerty and Son for \$1236.

Three children who moved from the South San Francisco District to the Jefferson District were allowed to stay in their schools by an inter-district agreement. Karen and Bobby Woodworth and Michael John Urrutia were allowed to remain in the SSF schools.

In addition the board directed the administration to make similar arrangements for Robert and Karen Jones.

Trustees Monday night by resolution forwarded \$90,000 to the state to keep the district eligible for state funds through next June. This \$90,000 is the difference between the \$515,000 in bonds that have been sold and the \$425,000 due from bonds. The sale of bonds has raised the district's indebtedness to 5 percent of its assessed valuation, thus the \$90,000 transfer to the state was necessary to keep the district eligible for more state aid.

State Schoolhouse Planning is studying final plans for Christopher Columbus K-6 school, to be located at the southwestern end of St. Francis Heights.

The plant will house 710 children in 18 classrooms and two kindergartens, and will contain a library, remedial room, resource room, a multi-use and administration rooms.

RUNAWAY GIRL TREATED AFTER SUICIDE TRY

A 14-year-old Daly City girl was missing for two days when police received a report that she had taken sleeping pills in an attempted suicide try last Friday.

Officer Tom Culley said the girl became obstinate when he arrived at her friend's house and he had to handcuff her in order that he and Inspector George Brooks could transport her to Junipero Serra Hospital to have her stomach pumped.

After the medical treatment, a 72-hour hold was placed on her and she was transferred to Community Hospital. The girl's probation officer, Lenore Kramer, was notified of the occurrence.

Reports noted that the Jefferson High School student hadn't been in school for two days, and when she was aware of wrong-doing and her probation officer was scheduled to see her, she would run away from home.

Other policemen who worked on the case were Steve Steen and Art Linhares.

Booked As Drunk

A self-described conductor was unable to conduct himself along the street and was picked up by Officer James Sunderland on a drunk charge last Friday at 11:15 a.m.

Dean F. O'Connor, 65, of 50 Lobos street, San Francisco, was observed staggering on the 6100 block of Mission street. He was released on \$25 bail.

An attendant left the jack outside the station at 12:05 a.m. He declared that the jack was not on the property when he opened up at 6 a.m.

Teamster Arrested On San Jose Ave. For Drunk Driving

Eddie C. Maez, 40, a teamster, was released on a \$525 bond and is to appear in municipal court next Tuesday after being charged with drunk driving here Saturday at 3:15 a.m.

Maez, 108 Ellsworth street, San Francisco, was stopped by Officer Al Nicolini and Sergeant Charles Terry after crossing over the double white line on San Jose avenue a number of times. When Maez halted his vehicle at San Jose avenue and Wilson street, he stopped in the middle of the street, according to Nicolini.

The teamster had to be instructed to pull over to the curb. Maez failed a roadside sobriety test. A positive test resulted at Junipero Serra Hospital, according to the police report.

JESD Holding Line Against Double Sessions

"The administration is doing everything possible to avoid double sessions," Jefferson Elementary District Superintendent Richard Foster told the school board last Monday.

His statement followed an up-to-date attendance report showing an increase of 44 students from October 6 to November 6 and 948 students over the same period a year ago. He noted that the December enrollment climbed to 7565 students, an increase of 98 children in four weeks.

A number of classes are larger than the 35 students-per-class anticipated. The smallest class has 25 and highest 41. Average class size is 35 or 36 students, he said.

"We are using every available facility except the second half of the multi-purpose room at Olympia School," Foster pointed out.

"Our choice at the moment is larger classes or double sessions, therefore we have larger classes."

Foster said that some of the new students have been transferred to farther schools in the district to keep class sizes manageable. Answering a question by trustee Wayne Douglas, Foster noted, "We do not try to shift a youngster more than once; another new student would be shifted before this is done."

The board accepted the resignation of Mrs. Eleanor Maas and hired Mrs. Helen Stout, currently a substitute in the district. Mrs. Stout received her A.B. from University of California and taught one year at a private school.

The board also hired two teachers for next semester who are currently student teaching at Colma K-6 and Garden Village. They are Mrs. Patricia Dimond, who will receive her A.B. at the end of the semester from San Francisco State, and Mrs. Helen Dilbeck, who will graduate from the same college.

Also hired for the new semester was Jacqueline Ragusa, who will receive her A.B. degree from San Francisco College for Women this semester.

Foster noted that 12 of the 13 practice teachers currently in the district said they would like to work here on a permanent basis following graduation.

Schools Query Parents About Disaster Plans

Parents will receive copies of the Jefferson Elementary District policy containing civil disaster procedure and may indicate a course of action that they would like the school to follow in the event of a civil disaster. Superintendent Richard Foster told trustees Monday night.

Parents may state the course of action they wish to be followed on a special "tear off" sheet and return it to the school their child attends.

A letter received by the administration from Harry Koch, Civil Disaster Coordinator for San Mateo County, said that evacuation is advisable only for those individuals and families who can arrange for their own reception and care, but that schools may no longer rely on formalized mass evacuation in case of an alert.

We have had a minimum of one alert practice a month, and had two during the first months of school, Foster said.

"I hope that we're doing everything to protect children and teaching them to have great respect for peace," Foster declared.

Trustee Wayne Douglas noted that it was ironic that the matter of civil defense was brought up at the December 7 meeting, the date of the bombing of Pearl Harbor.

There are 1221 miles of the Alaska Highway (former Alcan) in Canada and 202 miles in Alaska.

EAGLES SLATE ANNUAL KIDS' XMAS PARTY

Santa Claus will be on hand to greet the children of Colma-Vista-Grande Aerie No. 1848 members when they hold their annual Christmas party on Sunday, December 20, from 1 p.m. to 4 p.m. at Eagles Hall, Daly City.

There will be presents, fruit, candy, ice cream and free movies for all children of F.O.E. members. Chairman of the Christmas party committee is Charles Maschiot. On the committee are Herman Kainin, Cliff Coefield, Eugene Arment, Dell Fehl, Otto Schramm, Sid Sydow, Jerry Summers, Reginald Calvert, William Bipes, Steve Passifume, Jim Petzold, Lefty Wright, Willie Crubb, Larry Shaw, Charles Bartha, and Stan Nygowski. Mrs. Edie Summers is in charge of decorations, and the Ladies Auxiliary will assist in preparing the goodies and assisting Santa Claus with the presents. Free coffee will be served to adults throughout the affair.

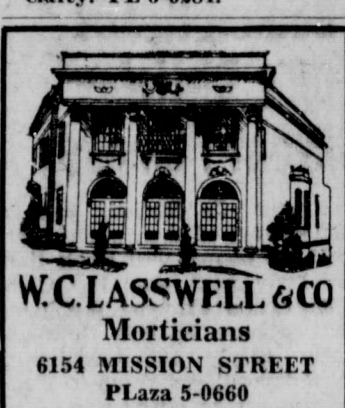

Milk and cream, when received in the home, should be refrigerated immediately at about 40°F to protect flavor and food value.

Vandals Splinter Westlake Windows With BB Gunfire

Three Westlake residents complained of having their front living room windows shattered by BB gun pellets between 11:15 a.m. and 2:15 p.m. last Friday.

Registering complaints to Officer Robert Crocker were Marjorie M. Herman, 132 Glenwood drive; George A. Anderson, 68 Belmar avenue; and Rocco Piccone, 69 Dorchester drive.

Mrs. Herman said \$50 damage was done. The other two windows were not assessed as to value at the time the report was given.

a feather-light electric blanket
the perfect gift for your Christmas list

Dial the temperature that suits you best. Then crawl into a bed that's entirely pre-warmed for perfect comfort. Sleep relaxed no matter how cold it gets, because your electric blanket maintains the temperature you set—automatically. And wake up refreshed, because an electric blanket is light as a feather, never weighs you down. Put one on your Christmas list. You can even treat yourself to this year-round comfort for as little as \$20.

Six More Citizens Appointed To Junior College Annexation Study

Six additional members have been appointed to the citizens committee established to study problems of annexing high school districts within the county to the existing San Mateo Junior College District.

Named to the study committee by the junior college board at the December 2 meeting were Mrs. Allen Beaumont and Clarence Ruch of Burlingame; Louis Duncan, Brisbane; Mrs. Forest H. Cunningham, Daly City; Mrs. L. W. Rendlen and Mrs. Norma Whiteley, both of Millbrae. They will join with 19 members previously appointed to the joint session with the board; Mrs. Robert L. Hammett, Burlingame; Peter Jarkovich, Daly City; Alunn, Half Moon Bay; Vincent Sullivan, Jack Hickey, William E. Hoard, Mrs. Gaynor M. Angsdorf, E. I. McLellan, all of Hillsborough; Donald Miller, Pacifica; Alton I. Cloud, Earl Jones, Hugh B. Tickler, San Bruno; from San Mateo: Louis Chess, Mrs. Emory L. Morris, Henry P. Schwab, Glen H. Stern, A. L. Stoner, T. W. VanGundy, and Carl E. Ward.

Additional members of the citizens committee will be named at the regular meeting of the trustees this week. Relative to the general issues of annexation and proposed legislation to clarify an ambiguous part of the State Education Code, San Mateo Junior College District trustees passed a resolution announcing their desire to endorse and support efforts to

secure a change in the code. The desired revision would permit electors of a high school district to assume, by a two-thirds majority, a proper share of the debt of a junior college district upon annexation to the junior college district.

Concluding the resolution, the board specified "its intention to investigate with great care all applications which may be made to it for annexation and to decide each case on its merits as determined at the time of application for annexation."

In other business, the trustees received basic documents for grading of the College Heights site. Representatives of John Warnecke and Associates, architects for the new campus, detailed the balanced cut and fill program for study by the junior college board. With possible approval of the grading procedures, bids would be opened on January 12 and awarded on January 13 for immediate work on site grading.

Following presentation of proposed minor adjustment of boundaries of the northern site, the board instructed Superintendent Julio Bortolozzo to continue negotiations relative to the boundaries and proposed fill.

In discussion of other properties, the board members accepted a recommendation for employment of a team to make a single appraisal of the district property on Second avenue, now under consideration for city-planned parking.

TOTAL ENROLLMENT IN COUNTY'S PUBLIC SCHOOLS NOW 110,892

Enrollment as of October 30 in San Mateo County's public schools is up considerably over totals a year ago, County Superintendent James R. Tormey announced today.

There are 97,187 students from elementary through junior college, 6787 adults taking high school evening courses and 6918 adults studying at the junior college level in night school.

The present total is 110,892 students compared to last year's 103,393. Further comparison shows that total county public school enrollment in 1950 was 6,576.

The percentage of enrollment increase of graded students elementary through junior college, over last year, is 6.5 percent. By levels this increase amounts to 5.7 percent elementary, 8.8 percent high school, and 11 percent junior college.

Elementary growth was high in Daly City's Jefferson District, by 14.7 percent; Pacifica's Laguna Salada, 11.8 percent; San Bruno Park, 12.4 percent;

Christmas Seal Drive Still Short Of \$90,000 Goal

Returns of the 1959 Christmas Seal Sale of the San Mateo County Tuberculosis and Health Association now total one third of the \$90,000 goal. In making this announcement, Mrs. H. W. Henseie, Daly City seal chairman, urged local residents to answer their Christmas Seal letter soon and help fill in the missing percentage.

Mrs. Henseie pointed out that the Seal Sale is the sole support of the year-round TB prevention and control activities of the local Christmas Seal Association.

INCUMBENT directors of Westlake Subdivisions Improvement Association retained their seats for another year in the

annual election Monday night. Front row (from left): McRobert Stewart, chairman Emory Schoolcraft, WSIA secretary Alyce Shea, Bob Brachman. Standing (from left): architectural committee chairman William Fleckles, William Mor-

risette, Andrew Baffico, Edward Borbeck and Virgil P. Anderson. THE RECORD photo

Incumbents Retain WSIA Seats; Schoolcraft Captures High Vote

All seven incumbents were re-elected by top-heavy margins Monday night when Westlake Subdivisions Improvement Association held its annual election of directors to serve at no pay in 1960.

As usual, only a few homeowners—about 40 this time—voted at the meeting. There were 377 proxy ballots—persons who through the mail or by phone endorsed the incumbents with few exceptions. Total vote was just over 400, compared to Westlake's population of about 22,000.

The seven directors will elect their officers next Monday night at 95 South Mayfair avenue, association headquarters.

Emory Schoolcraft, board chairman, was accorded top vote Monday night. His total was 387, with 22 of these votes made by members of the audience. Other returns: McRobert Stewart, 385 votes; Virgil P. Anderson, 384; Bob Brachman, 284; Andrew Baffico, 378; William Morrisette, 378, and Edward Borbeck, 376.

Unsuccessful candidates were: Morton Owens, 44 votes; Donald Lueder, 44; K. C. Martin, 43; Daryl Ober, 42; Robert Gunthorpe, 41 and Paul Green, 39.

In main business, the board responded to a petition of Unit 9 residents (west of Skyline and south of Westmoor avenue) and moved to ask the city council and Northgate Transit company to provide jitney bus service to this unit. Residents of Unit 10 (east of Skyline and south of Westmoor avenue) also seek jitney bus transportation. Representatives of both areas and association officials will meet with the city council and transit firm to obtain the transportation.

Directors also learned from homeowner Alton Holmes, 65 Oceaside drive, that a petition bearing 50 Oceaside drive signatures opposes conditions caused by a vacant lot owned by Doelger Corporation. The WSIA ordered a letter to Doelger to correct the dust and debris problems at this site.

A letter was read from the Chamber of Commerce, in

Westlake Airman At Colorado Base

Airman Third Class William L. Render, son of Mrs. R. K. Draper, 10 Glenbrook avenue, Daly City, graduated this week from Bomb Navigation Systems school at Lowry Air Force Base, Colorado.

Air Force technical training qualifies Render for special work on latest AF bomber aircraft as an electronics mechanic.

A native of Hollywood, California, Render was graduated from high school in Newport, Oregon, then attended Mexico City College and the University of Oregon before his enlistment eight months ago.

TV and Radio

By Mona Baker

To single out any programs on award-winning "Science in Action" (KRON-TV) is quite difficult because the series always comes up with the unusual every Monday evening. However, we would particularly like to mention two recent shows that departed from the usual format and were quite outstanding.

The first was "Miracle of Color TV" which explained the process of color. Host Dr. Earl S. Herald of Westlake had as his guest scientist Charles Colledge of RCA, and they managed to make a highly technical subject easily understood by the layman. This telecast was the first "Science in Action" in color, and we do hope not the last because a science program really comes alive with color.

Last week's program featured world-famed scientist Dr. Edward Teller, but what was particularly memorable about the program was that there was no script and no rehearsal due to Dr. Teller's busy schedule. One of the world's greatest scientists, he is also a most dynamic individual. It was our privilege to interview Dr. Teller several years ago, and at that time we felt that he and television were just made for each other because of this powerful personality in addition to his great knowledge. He certainly demonstrated this the other evening, because his tremendous vitality was felt right through the TV screen. The program proved to be highly entertaining as well as informative.

Important TV dates coming up over KPIX to mark our year calendar: Dec. 13, 4 p.m., "A Life in the Balance," 2-hour program on American Court of Law, endorsed by State Bar of Calif.—first time they have ever given endorsement to a TV show. Study guides are available by writing KPIX Education Dept. Helen Hayes in "One Red Rose for Christmas" on "U. S. Steel Hour," CBS, KPIX, Dec. 16, 10 p.m.

DC, South SF Bandsmen In Jr. Rose Bowl

Joining in the pageantry of the Junior Rose Bowl game at Pasadena on December 12 will be the College of San Mateo marching band under the direction of instructor Dick Crest.

The twenty-six band members, along with drum major Bob Asbury, majorette Carmen Conner, and banner girls Maureen McCline and Pam McGhee, will participate in the parade and pre-game activities in the reported a balance of \$152.82 in of appearances at CSM games. The band will also be competing for top honors with marching bands from eleven other colleges.

Included in the San Mateo band are Louis Altamirano of Daly City and South San Francisco's Ken Aiello and Mike Wirgler.

Water Pollution Investigators To Check Candlestick

Assemblyman Lloyd W. Lowrey, chairman of the Assembly Interim Committee on Natural Resources, Planning and Public Works, today announced the establishment of a subcommittee to investigate water pollution problems. The subcommittee is headed by Assemblyman Charles W. Meyers of San Francisco, and includes Assemblyman Louis Francis of San Mateo, and Assemblyman Milton Marks of San Francisco.

The investigation of water pollution is a continuation of the program acted upon by the committee during the last legislative session when legislation introduced by Assemblyman Meyers was passed and signed into law by Governor Brown.

Assemblyman Meyers announced that the subcommittee would meet in San Francisco on December 21 to investigate the Candlestick Cove problem, more commonly known in the Bay Area as the "Big Stink." "The subcommittee will take a field trip into the Cove area during the morning," said Meyers, "and will hold a hearing in the State Building during the afternoon."

Sidney E. Norton Ends Air Force Technical Course

Airman Third Class Sidney E. Norton, son of Mrs. Flora Lee Smith, 3312 San Jose avenue, Daly City, was recently graduated from the power production course at the Air Force Technical School at Sheppard Air Force Base, Texas.

Norton was graduated from Balboa High School, San Francisco, and was employed as a pressman by Field-Ernst Envelope Company, San Francisco prior to enlisting at the Air Force Recruiting offices, 2865 Mission street, San Francisco.

Hi-Fi Teen Club To Hold Dance For Couples Only

The Department of Parks and Recreation's Hi-Fi Teen Club will hold "White Fantasy," the first "Couples Only" dance organized by this group.

The dance will be held on Saturday, December 19, from 8:30-11:30 p.m. at War Memorial Community Center. Music will be provided by Buddy Capps Orchestra. Dress will be semi-formal.

Free refreshments and door prizes will be provided. A limit of 200 tickets will be sold prior to the dance. Tickets must be purchased before the dance.

Tickets priced at \$2 per couple are available at the Parks and Recreation offices, 144 Hillside Boulevard, and from the following members: Dolores Spinetti, Irwin Wong, Jean Borba, Judy Orr, Mariann Laramie and Kathy Liebhart.

Pagano Awarded \$50, Citation By Post Office

Louis Pagano, 20-year postal service veteran and for five years a clerk at Daly City's postoffice, has been awarded \$50 for "sustained above-average performance of assigned duties," Postmaster Vince Murphy announced today.

Pagano, who lives at 18 East Moltke street, was one of 13 California postal workers cited by Regional Director Verne Scoggins.

Richard Schreiner At Texas Air Base

Airman Richard C. Schreiner, son of Mr. and Mrs. R. F. Schreiner, of 141 Los Banos avenue, Daly City, has been selected to attend the technical school for supply specialists at Amarillo Air Force Base, Texas, according to M-Sgt. Phil L. Wells, local Air Force recruiter.

Airman Schreiner is a graduate of St. Francis High School.

Jefferson Grad At Chanute Field

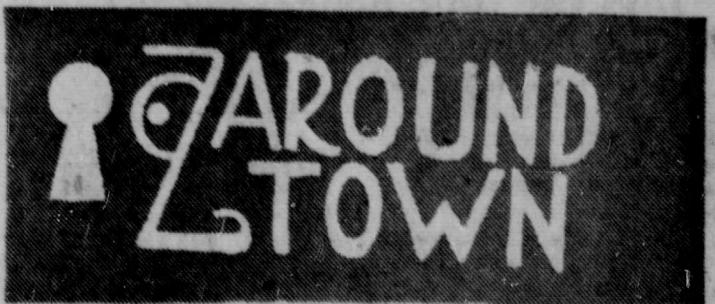

Airman Thomas M. Reed, son of Mrs. Gladys Reed, 5 Muirwood drive, Daly City, has been selected to attend the technical training course for aircraft and missile maintenance at Chanute Air Force Base, Illinois.

Reed attended Jefferson High School and enlisted in the Air Force at their offices at 2865 Mission street, San Francisco. Reed was flown to Lackland AFB, Texas, for basic training.

Booked As Drunk

An 18-year-old enlisted man was picked up on a drunk charge here last week and turned over to the Shore Patrol after it was learned that the Coast Guardsman was absent without leave.

Delmer Gale Gibson, stationed at Government Island, California, was seen to be in a drunken condition at Mission street and Los Olivos avenue by Sergeant Charles Terry and Officer Al Nicolini.

By ROY HURLBERT

Superior Court Judge Frank Blum, Daly City's pride and joy and former city attorney, seems to get all the tough cases at Redwood City.

Westlake Frank in his short tenure as a superior jurist has handled the Soule, Bjorkland and Robillard murder trials.

We imagine Frank spends a lot of sleepless nights weighing the rights and consequences of those who do wrong. And don't think the pressure isn't on judges. They have consciences.

Emory Schoolcraft, a Palisades resident, got the most votes Monday night when all seven Westlake Improvement Association directors were re-elected.

Watching Schoolcraft in action, we see why many people in Westlake believe he would be a formidable candidate for local government. Emory is a stickler for detail, doesn't get excited, and he understands people.

Does the council respond to public opinion?

Audience reaction to the "ouster" move against Otis Calhoun, director of public works, was so torrid that councilmen are putting off any decision until a new city manager is hired. Calhoun is keeping his eyes open for other jobs—just in case.

Nominations for the world's worst traffic bottleneck have to include Daly City's top-of-the-hill crossing.

These must qualify as for having the longest signals in the world. Motorists wait so long for the lights to change that many of them often go home and beat their wives to relieve the rage.

Fire Battalion Chief Frank Specht of Daly City lives and breathes his work. In fact, his new home in Westlake Unit 10, on Lincoln avenue, is right across the street from the new fire station. Frank also has a fire hydrant on his lawn.

On his off-duty days, Specht probably watches TV movies about firemen. True to the cause, this public servant.

The council next Monday night will award the bid on the new Westlake library. Dr. Lionel Farber of the library commission can hardly wait. He and fellow commissioners have one worry, however. Is there enough money set aside to purchase books to fill the library?

It would be colossal if the library would open next year with only a handful of books.

We doubt this will happen. But City Librarian Sam Chandler and Farber are pessimists to the last. Could be they're prejudiced — books being their business.

Ray Logan of the DC-Colma Lions Club won't stand for any more monkey business. The telephone hooker-upper was given two small rhesus monkeys (the kind they're shooting into space) some time ago and now Ray is looking for a buyer.

Monkeys are the craziest people and provide lots of laughs. They have to be handled like humans, though, and Logan finds the food bill is getting too heavy.

Hartley Appleton, son of the former Jeff Elementary school board chairman, traveled with his mom and dad to 11 European countries this year.

The Ben Franklin seventh grader is showing his schoolmates souvenirs of his rare excursion — bottles containing the soil of each country visited.

His attorney father says he's glad young Hartley didn't tour the world. If he had, there would be no room in the Appleton residence in Westlake for such necessities as furniture and people.

Former Daly City mayor and councilman Paul Green, a guy who rose from private to major during World War II, was among the nominees for Westlake Association directorships this week.

Paul, last year a candidate for county assessor, finished last in the balloting with 39 votes. There were 13 candidates for the Westlake positions.

As long as we're on the subject, the rumors have it that JESD school trustee Tom Noonan, a telephone company exec, moved to St. Francis Heights so that within a few years he could follow the advice of his many friends and become a candidate for the Daly City council.

AIR FORCE COMMENDATION MEDAL is pinned on Major Robert S. Capps, 36, son of Mrs. Walter Capps, 80 Forest Grove drive, Daly City, by Brig. Gen. John W. Carpenter III, Flight Test Center commander. It was for five years of outstanding work developing combat flight procedures for what then was the Strategic Air Command's new B-47 Stratojet

bomber as an aircraft commander and instructor pilot with a bombardment squadron at March AFB, Riverside, California. Capps was transferred to Edwards in October and is research and development administrator. His 13-year Air Force career includes 51 combat missions as a World War II B-24 bomber pilot in Italy. A graduate of Daly City's Jeffer-

son High School (1941), Major Capps got a bachelor of science degree at the University of California at Berkeley (1948). With him at Edwards are his wife, Barbara M. (daughter of Mr. and Mrs. Felix Foreman, 35 Woodrow street, Daly City, and their children, Wendy, 14, Robert R., 12, and Dennis D., 7. Air Force photo

JEFFERSON Elementary District administrators recently gave a tea in honor of 21 student teachers from San Francisco State College. Pat Matt-

son, third grade teacher at Olympia School, and Carol Staudacher (right), who has been student teaching with her, chat with Dr. Jim Bixler, the college supervisor. Carol's next assignment is with Mrs. Eleanor Zengler, fifth grade teacher at Benjamin Franklin School. David Willey photo

'Toys For Tots' Annual Appeal Sounded By Marine Reservists

Major John P. Shannon, commanding officer of the 7th Infantry Battalion of the Marine Corps Reserve located in San Bruno, has announced the opening of the Marine Corps Reserve "Toys for Tots" program. The annual drive for a new or usable toys will officially begin Monday and continues through December 18 throughout San Mateo county.

The purpose of the local Toys for Tots program, which was initiated by a Los Angeles Reserve Unit in 1948 and is now a national program, is to help to provide Christmas presents for the less fortunate children in San Mateo County.

Major Shannon went on to say that it is anticipated that majority of the toys collected will come from the elementary schools in San Mateo county. Hand-outs have already been delivered to the schools which will be participating in this year's drive.

Major Shannon further said that toys will be accepted at the main gate of the Marine Corps Reserve Training Center located across from the Tanforan race track in San Bruno.

As in previous years, the major portion of the toys will be distributed by the San Mateo County Community Christmas Bureau, which is located in the Naval Reserve Building at Baldwin and San Mateo drive in San Mateo.

Shannon stated that the Marine Corps Reserve would not distribute toys from the training center and that all requests for toys or names of needy children should be given to the Christmas Bureau. The telephone number of the Bureau is DI 2-6340 or DL 2-6349.

Mrs. Edward Rifkind Of Westlake Heads Red Cross Motor Service

Mrs. Edward Rifkind of 1250 Southgate avenue, Daly City, has been appointed chairman of Motor Service for San Francisco Region, American Red Cross, Mrs. R. Clarence Ogden, chairman of volunteers for Golden Gate Chapter, announced here yesterday. Mrs. Rifkind succeeds Mrs. Hermon Sullivan.

Mrs. Rifkind, a native San Franciscan, began her Red Cross career as a Motor Service volunteer driver 15 years ago. She was appointed vice chairman in 1958. In addition to her Red Cross work, she is active in the California Club, the Eastern Star and the Women's Auxiliary of Rho Phi Phi, pharmaceutical fraternity.

In her new post Mrs. Rifkind will direct the activities of nearly 100 Red Cross volunteer drivers. San Francisco Region maintains a fleet of 20 vehicles, and provides emergency transportation for patients of 67 United Crusade agencies in the Bay Area, and for thousands of servicemen and their families.

Mrs. Rifkind began her new job with an appeal for more volunteer drivers. The need is most crucial during the day, she said, when the handicapped of all ages and hospitalized servicemen need rides to and from clinics, therapy and recreational centers.

Men and women from 16 to 55 years of age who have a current California driver's license are eligible to apply. Drivers are tested by a qualified Red Cross staff member and are given a Standard First Aid course before taking assignments. Most drivers give from six to eight hours of their spare time each week. Prospective Red Cross drivers can call chapter headquarters, PR 6-1500, for more information.

The California Date Growers Association, with headquarters at Indio, was organized in 1919.

Judea Women Elect Officers

Congregation Judea Sisterhood will hold a special meeting and a salad-bar luncheon next Tuesday, December 15, at noon in the Temple House. The election of officers for first, second, and third vice-presidents and financial secretary will be held. In addition, a special program featuring Chanukah wrappings and decorations, a film and demonstrations, and a progress report on the rummage sale at Larkin Hall will be presented. Both members and non-members of Judea Sisterhood are invited to attend. The price of the luncheon is \$1.

Congregation Judea will hold a Special Sabbath Eve Service at the Westlake Auditorium, 333 Park Plaza drive, this Friday at 8:30 p.m. in honor of the Bar Mitzvah of Eric Rudorfer, son of Mr. and Mrs. Joseph Rudorfer. Cantor Harold Wachter will officiate. The service will be followed by a social and reception to which all members of the congregation and friends are invited.

JOY, the Youth Group of Congregation Judea, is planning a Chanukah Carnival to be presented for Religious School children and their parents on Sunday, December 20, at the Temple House in Westlake. The carnival will be preceded by a luncheon at noon for all those who will attend.

Jeff High PTA Execs Cancel Fashion Show

Executive board of Jefferson High PTA held a brief meeting last Thursday night in the school faculty room. It was decided that the fashion show planned for March should be cancelled because of certain restrictions set by the 17th District PTA concerning the use of advertising store names.

A letter was read from Lieutenant Commander B. J. D'Arcezo of the U.S. Naval Reserve Training Center in which he offered to speak to PTA group on the military obligations of boys reaching draft age.

Junior Prom refreshments were discussed also.

Mrs. Marian Planks, membership chairman, reported that though the membership has reached 300, 35 more members are needed to meet the quota.

Those parents who have not joined yet may do so by contacting Mrs. Planks, PL 5-6849, or mailing in their dollar dues to Jefferson High School, care of the PTA.

This Thursday's Regular PTA meeting will be held in the school cafeteria at 8 p.m. The program will revolve about the theme, "Faith and Our Children."

David Manning's 35-girl chorus will sing Christmas carols. Richard Larsen has a special surprise by his band group planned for the evening.

Richard Lair, chosen for the White House Youth Conference, will speak. Refreshments will be served at the end of meeting.

Area Catholic Units Launch Chapel Project

Preparations are under way for the fourth and final project to be sponsored by the Catholic Daughters of America in the San Francisco Archdiocese for the benefit of the chapel at St. Joseph's College, Preparatory Seminary of the Archdiocese of San Francisco, located at Mountain View.

Proceeds from these projects are forwarded to the State Regent, Mrs. Edwin Clancy of Alameda, who will present the net total to The Most Reverend John J. Mitty, D.D., Archbishop of the Archdiocese of San Francisco, of which the State Regent is also a member, at the end of her term of office next spring.

A preliminary discussion was held on behalf of this function when Grand Regents and District Deputies of the San Francisco Courts attended a dinner meeting at the Press Club on November 19 with the State Chaplain, the Rev. John J. Cunningham, and the State Regent, Mrs. Edwin Clancy. Also present were the State Treasurer, Mrs. Fred Wettstein, and the Archdiocese chairman of the fund-raising projects, Mrs. T. J. Paulin.

Mrs. Donald Heissenbuttel was named general chairman and a dinner dance was confirmed.

Attending the recent meeting of Grand Regents and publicity chairmen were: Mrs. Donald Heissenbuttel, Mrs. Carl Saxenmeier and Mrs. Kull, of Court Salesian; Mrs. M. A. Murphy, Mrs. A. B. May, Mrs. T. J. Paulin, of Court Golden Gate; Mrs. H. A. Kennedy and Mrs. George McCauley, of Court West of Twin Peaks; Mrs. O. L. Blevins, Court Cathedral; Mrs. DeWitt Brunson and Mrs. Harvey Mumford, of Court St. Mary.

Precursory plans were discussed and the date set for February 27.

The following chairmanships were accepted: Dinner Ticket Sales, Mrs. DeWitt Brunson; Food Supplies, Mrs. Ollie Blevins; Publicity, Mrs. Harvey Mumford.

Vets Eligible For Credits In Social Security

Veterans who served 90 days or more on active military duty (unless discharged sooner for disability or injury) during the period September 16, 1940, through December 31, 1956, may receive Social Security wage credits of \$160 for each month of active duty. The veteran's discharge must have been other than dishonorable. San Mateo County Veterans' Service Officer, Floyd D. Granger, pointed out.

If, however, a periodic benefit is payable by another federal agency, except the Veterans Administration, based in whole or in part on active military service during the same period, the Social Security wage credits will not be granted for the same period.

Veterans receiving military returned pay also may receive the gratuitous SS credits for months of active military duty during the years 1951 through 1956, even though their retired pay is partially based on service between July 25, 1947, through December 31, 1956, provided they served actively after December 31, 1956.

The \$160 credits may also be given to citizens of the United States who served in the armed forces of our allies during World War II, under certain restrictions.

On January 1, 1957, members of the armed forces on active duty were brought under Social Security on a contributory basis, with payments to the fund withheld from their basic pay. Contributory SS wage credits for active military service may be added to any gratuitous and/or civilian wage credits in determining Social Security benefits.

The amount of monthly Social Security payment depends on the average monthly earnings while employed or self-employed and contributing to Social Security, including time spent in the armed forces.

JACK KLASSEN ON NAVY DUTY IN FAR EAST

Jack Klassen, a 1958 Jefferson High School graduate who enlisted in the Naval Reserves, left for duty in Japan on November 7.

Jack is the son of Mr. and Mrs. Frank Klassen of 48 Cottonwood drive, Daly City, and has one brother, Kenny, a freshman at Jefferson High.

After completing his tour of duty, Jack plans to resume his studies at Cogswell Tech, from which he took a leave of absence after spending a year there.

LAUREL Klaisner, Westmoor High School senior, has received a special financial grant from the San Mateo County Heart Association in its student research training program, now in its third year. Laurel will

study the effects of aerating water on the growth of guppies, with the assistance of her faculty advisor, Carl Kauffeldt. From left to right at presentation ceremonies: Dr. Marvin L. Auerback, chairman of the

Heart Association's student research training committee; Dr. Ralph W. Brauer, chairman of the association's research committee; Miss Klaisner, and Kauffeldt. Geoff Cook photo

400 Attend Annual Family Night Dinner Festivity At Westmoor

Approximately 400 people enjoyed an annual family dinner served in the Westmoor High School Cafeteria by the PTA last Saturday night. Many more came to buy Christmas gifts and enjoy the "sport night" program which featured the GAA Trampoline Team and a basketball game between the varsity and faculty men.

Businessmen and organizations contributing to the success of this dinner included: McKeon, Inc., Henry Doelger, Westlake Lounge, Indianhead Mills, Hills Bros. Coffee, Parisian Bakeries, Safeway Stores, Roma Macaroni Co., Leo's Meat Market, Westlake Food Center, Spotlite Market, and Sunblessed Quality Foods. The delicious baked chickens were supplied by Anthony Formosa, California Food Shop, 634 Clement street, San Francisco.

Mrs. Alfred Boreni was in charge of tickets and the kitchen was run by Mrs. Richard Mollison and Mrs. Gene Sebastiani. They were assisted by Mrs. John Sorenson, Mrs. Robert Goodwin, Mrs. William Cordano, Mrs. Edward Goldkuhl, and two fa-

thers who rolled up their sleeves and whipped things into shape — Alfred Boreni, who dispensed salads, ice cream and milk, and Edward Goldkuhl, who kept the spaghetti pots pouring.

Beautiful hand-crafted table decorations in the form of table trees, wreaths and sprays were displayed and sold by Mrs. Poggio, Mrs. Juanita Hanley and Mrs. Louise Merlo. Mrs. Louise Merlo also was responsible for the making of adorable "Pajama Dogs" designed to hold children's pajamas and fashioned to rest on their beds.

Mrs. Tom Colangelo was in charge of the booth of gift wrappings and ribbons.

Dinner was followed by the trampoline show. Members of a newly formed GAA Trampoline Team displayed excellent form and thrilled the audience with their backward flips, chest rolls and forward flips. The basketball game followed.

Mrs. Larry Green, president of the Westmoor PTA, thanks all who helped make this event "such an outstanding success in order to finance scholarships for deserving students."

CHRISTMAS Bazaar last Sunday at Our Lady of Perpetual Help School was considered a

success, thanks to the efforts of Bazaar chairman Mrs. Walter Mignault (center), Mrs.

David Hansen and Mrs. Doreen Brown, all of the sponsoring Mothers' Club.

Judging Next Week

Westlakers Due Valuable Prizes In Xmas Decorations Contest

Judging in Westlake's annual Christmas Decorations Contest will be on Friday evening, December 18, from 7 to 9 o'clock, chairman Virgil P. Anderson announced today.

This year instead of the judges making the rounds block by block, only homes inspected will be those of residents who fill out entry blanks provided by the association.

Persons who do not have the entry blanks (from recent copies of the association's monthly paper) may sign for the contest at 95 South Mayfair or by calling Alyce Shea, PL 5-1352.

Builder Henry Doelger, once again donating several outstanding prizes, is honorary

chairman. The panel of judges will be Mayor Edward J. Dennis, Municipal Judge Charles Becker, Superior Court Judge Frank Blum, former Municipal

Judge Thomas Bocci Jr., and Charles Schwab, the homeowner whose residence was rated "best decorated" last year.

Prizes will be awarded in three categories—for the best outdoor decorations, best window displays, and group decorations (minimum of four homes and maximum of seven).

Winners will be rewarded in January during a dinner meeting at Westlake Joe's.

500 Girl Scouts Aid The Needy With 'Festival Of Gifts' Here

There's as much pleasure in giving as in receiving. This feeling was experienced by almost 500 Daly City-Columbia Girl Scouts at their gala "Festival of Gifts" program in War Memorial Building last Sunday afternoon.

This was the first such Festival at a district level and the hundreds of gift-wrapped mittens and socks which were deposited in cartons are to be sent to typhoon victims in Japan.

Mrs. Verona Williams, district chairman, in her welcoming speech said she was happy to see so many Girl Scouts "who are so ready to help other boys and girls who are not as fortunate as you are."

The program started with a flag ceremony conducted by Troop 81, followed by community singing of Girl Scout songs and Xmas carols. The Senior Mariner Scouts lead the singing.

Girls charmingly dressed in folk costumes did three folk dances under the direction of Mrs. Mil Kraus.

The audience was delighted with a pantomime of "The Night Before Christmas," performed by Troops 8, 20, 21, and 355.

A tableaux of how Christmas was observed by other people around the world was given by girls in Troops 27, 278, 279, and 295. American, Jewish, Dutch, and Mexican Christmas were illustrated by costumes.

No Christmas program is complete without the presence of Santa, so just at the very last, plump and jolly St. Nick (Mrs. Ann Eason) arrived, cheering the little ones with laughter and gaiety. Each youngster received a candy from Santa.

The very last and most important activity of the afternoon was the depositing of gifts in boxes to be sent to Japan to needy children.

Mrs. Williams was assisted by a committee composed of the Mesdames Georgia Solari, Janet Gilmore, and Norma Hailey.

Mrs. Dolly Davidson did the lettering for "Merry Christmas."

CHANUKAH PARTY HAS MAGICIAN

"Sears the Magician" will headline the Children's Chanukah Holiday party, to be held on Monday morning, December 28, from 10 a.m. to noon, at Henry Doelger Clubhouse in Westlake.

This annual event is sponsored by the Westlake Group of Hadassah, with all proceeds going towards Youth Aliyah projects, according to Mrs. D. Feld, chairman.

Many youngsters have signed to participate in the talent show that will follow the magician. Door prizes will be fifty cents each.

Mrs. Arthur LaPedis is in charge of tickets. Mrs. Stanley Jonah is co-chairman.

For further information regarding tickets, telephone Mrs. Feld, PL 6-3617. All children in the area are welcome to attend.

Vista Grande Kids 'Captured' By TV

Second and third graders of Daly City's Vista Grande School recently were filmed for television during their field trip to the Oakland public museum.

The youngsters were watching Claude Sasseveya, a Hopi Indian, carving a doll when the TV cameraman arrived. At luncheon, the Daly City students and teachers Carol Cherry and Ethel Wood ate on the shores of picturesque Lake Merritt.

Xmas Program For Catholic Women Monday

With Christmas only eleven days following the final meeting of the year for Westlake Catholic Women, Mrs. Robert Markey has announced that the group will enjoy a Christmas program next Monday evening, December 14.

In addition to the business to be discussed, there will be performers from the Adrienne Elaine dance studio to entertain the women of the parish.

Door prizes will be given out to three women attending this holiday meeting, as well as a pair of handmade dolls, "Raggedy Ann and Andy," to be given away at the conclusion of the meeting, to delight some child at Christmas.

Mrs. Edward Molkenbut Jr. will give her report on the house tour which was held last month, and deemed a success by everyone attending the tour.

The next activity planned by the women of the parish is the cookie-candy sale scheduled for December 20. Mr. Thomas Gill will announce plans pertaining to this event. Social Director Mrs. William Creagan will announce additional information regarding the fashion show which will be held on January 30.

Vice-President Mrs. John Cresalia requests all women to bring rummage to the meeting. The rummage sale committee is anxious to acquire jewelry—old or new—and paper bags are a must. The sale is scheduled for March 19 and 21.

Hospitality Chairman Mrs. Astore Bucciarelli will welcome all new members to the meeting and has announced that hostesses for the evening are Mrs. Carl Davis, Mrs. Edward Sullivan, Mrs. Vincenza Alberti, and Mrs. James Bresnahan.

The meeting will begin promptly, following devotion at 8 p.m. in the church.

Vivaldis Tell Engagement Of Daughter

Wedding bells will ring on Valentine's Day for Thomasina Maria Vivaldi and W. Robert Somerville, whose engagement was announced on December 2 by her parents, Mr. and Mrs. Joseph Vivaldi, 3 Eastgate drive, Daly City.

The bride-elect attended St. Rose Academy and City College of San Francisco where she was affiliated with Kappa Phi Sorority.

The benedict-to-be attended Polytechnic High School. Her parents are the late Mr. and Mrs. William Somerville of this city, and formerly of Michigan.

BUSINESS WOMEN SET CHRISTMAS DINNER MEETING

The San Francisco Business and Professional Women, Chapters 1 and 2, invite all business and professional women to attend their joint Christmas dinner meeting, scheduled Monday, December 14, at 6 p.m. in the Women's City Club, 465 Post street.

Main speaker will be Bill Gwinn, director of the Mount Hermon conference. Music will include vocals by Evelyn Anderson and Christmas carols.

Reservations may be made at MO 4-1517 or UN 1-5686.

CHRISTMAS THEME

300 Benjamin Franklin Pupils Entertain PTA Throng Of 700

About 300 sixth, seventh, and eighth graders of Benjamin Franklin School's glee clubs and band entertained a standing-room only crowd of approximately 700 parents and children in the school auditorium Tuesday night last week when the traditional pre-Christmas program was presented.

The Pueblos of Boy Scout Troop 259 opened the meeting with the presentation of the flag. John Luppino, fifth grade teacher, read the character thought, "What is Good," from the "Home Book of Verse" by John O'Reilly. PTA President Mrs. Roy Milam spoke briefly on membership "as progressing successfully." She stated that 690 parents have signed up. Parents who as yet have not joined and wish to do so, should call Mrs. Irma Fischel, PL 6-0783, membership chairman.

Principal Fred Schweickhardt extended holiday greetings to the audience.

Following his address, the school band under the baton of James Sharpen opened the program with Christmas Hymns which included "Silent Night," "Hark, The Angels Sing," and "Adeste Fideles."

The sixth grade glee club, under the direction of Mrs. P. Hackett at the piano, rendered various selections, among which were "Christmas Bells," "White Christmas," "Come, All Ye Faithful," and "The Birthday of a King."

The program continued with the seventh and eighth grade select choir under the direction of Mrs. Elda Black, ably accompanied on piano with eighth grade student Cathy Leech. Selections included "What Child Is This," "Christmas Starlight," "Jesus Atoned," and "Hallelujah Chorus" (excerpt from "Messiah"). Mrs. Milam expressed appreciation to music coordinator Mrs. Muriel Vint, instrument director Mr. James Sharpen; vocal directors Mrs. P. Hackett and Mrs. Elda Black. She also introduced District Superintendent Richard Foster; High School Superintendent Ed Morgan, and Westlake developer Henry Doelger.

The social hour featured seventh grade room mothers as hostesses.

Troop 129 To Sell Mistletoe

The mothers club of Scout Troop 129 held their meeting at the home of Mrs. Rudolph Muller, 920 Foothill drive, Colma. Present were the Mmes. Frank Creedon, Pete Tobin, William Caldwell, Herbert Stettler, Robert Johnson, Preston Hix, Raymond Hunt, Paul Shively, Thomas Herbert, Harry Hakala and Rudolph Muller.

Mrs. Robert Johnson, chairman of the sewing committee, reported that 12 black and white neckerchiefs have been made by her committee at a cost of \$2.04.

Mrs. Pete Tobin, treasurer, reported a balance of 152.82 in the mothers club treasury. The mothers club will have a Christmas party for the Scouts at their regular Troop meeting on December 15, serving cakes and cookies and giving each boy a gift. Mrs. Paul Shively of 112 Westmoor, Westlake, will be in charge of this party with help from Mrs. Tobin, Mrs. Creedon, and Thomas Herbert as her committee members.

The boys from the troop will sell mistletoe this month from door to door. Anyone wanting to order mistletoe in advance may call Mrs. Harry Hakala, PL 5-4318, or Mrs. Lee Bright, PL 5-5785.

Westlake Woman's Daughter Completes Army Nurse Course

Capt. Rosemary T. McCarthy, daughter of Mrs. Mary M. McCarthy, 200 Park Plaza drive, Daly City, completed the nursing procedures course November 20 at Brooke Army Medical Center, Fort Sam Houston, Texas.

Captain McCarthy was trained to instruct Army personnel in various levels of nonprofessional nursing procedures.

Captain McCarthy is a graduate of Arlington (Mass.) High School and a graduate of the University of Minnesota in Minneapolis.

NEW JUNIOR CAMP FIRE GROUP HERE

The "Country Blue Birds" is the name chosen for the newest junior Camp Fire Girls group in Colma, reports Mrs. Edward Raymond, group leader. Charter members of the group are Michele Thomas, Kia Vinson, Michele Raymond, Victoria Chavez, Lorri Miller, Rhonda Corrasco and Rebecca Sanchez. The girls, from Garden Village School, meet each Tuesday afternoon after school at the home of their leader.

Blue Birds and Camp Fire Girls are displaying some of the sewing articles collected for their "Send Santa Overseas" project. Spools of thread, buttons, yarns and small toys have been made into "surprise balls," dolls and small toy bean bags for shipment to needy people in foreign lands. The displays are at Westlake's Walgreen Drug Store, Shannon Hardware, and the South San Francisco Library.

The Do-and-Finish Blue Birds of Vista Mar School meet each Wednesday morning at the home of group leader, Mrs. Stephen Kristovich. Members of the group are Patty Casey, Sandra Cockerham, Dale Crouse, Janet Draves, Paula Kelly, Elaine Lauricella, Brinda Linn, Cheryl Philpot and Bookie Pustulka.

The Jolly Blue Bird group of Vista Mar School is planning a slumber party at the home of the leader, Mrs. George Jeffers, to celebrate the holiday season. Members include Lynn Cherezian, Jo Anne Fitzsimmons, Charla Garde, Robin Hunter, Susan Jacoby, Debra Jeffers, Judy Johnson, Debra Jose, Janis Karp, Margon McClay, Kathleen McGill, Megan Oliver, Loren Schanlon, Christine Shecker, Claudette Sherbert, Jeanine Smith, Deborah Woodall, and Debon Richardson.

The Adventure Blue Birds have been chartered by the Camp Fire Girls organization and now meet each week at the home of the assistant leader, Mrs. Daniel Benard. The new group leader is Mrs. John Cordes; the group sponsor, Mrs. Irving Baltor. The following officers have been chosen: President, Wendy Baltor; Secretary, Victoria Vasey; Vice-President, Kristine Carrillo; Treasurer, Mary Ann Demarest; the Hostesses, Deborah Colman and Karen Cordes; Games Chairwoman, Kathy Benard.

The North County Leaders' Association of the Peninsula Council of Camp Fire Girls will hold their monthly meeting on December 10 in Daly City War Memorial Community Center at 7:30 p.m., reports Mrs. Arthur Waldvogel, chairman. Association members include all leaders, assistants and sponsors of the 25 Blue Bird and Camp Fire Girls groups in Daly City, Colma, South San Francisco and Pacifica.

St. Michael's Mothers Plan Xmas Party

The Christmas party, which has become an annual occasion for St. Michael's Mothers' Club, will be held on Monday night, December 14, at 8 p.m. in the school auditorium.

Mrs. Edward O'Connor, president, has announced there will be a short business meeting preceding the social activities.

A specialty of the evening, perhaps not in keeping with Christmas, but presented by request, will be the skit that members did in the recent Variety Show.

All mothers of St. Michael's School are invited to join in the Christmas spirit of this meeting, and the fifth grade mothers, under the chairmanship of Mrs. Isabel Conroy, will be hostesses.

Westlake Lutheran Women Schedule Christmas Program

"The Christian Woman—Her Christmas" written by Ruth Youngdahl Nelson, will be presented at the December meeting of the Westlake Lutheran Women's Missionary Federation.

This program will include Christmas music, scripture reading, monologues and poetry. The monologues will be presented by members of the 1960 executive board. Various members will present the remainder of the program. Mrs. Perry Gordon, vice-president, will open the meeting with special Christmas devotions.

In addition there will be a kitchen shower for the church. In this way the women hope to complete the supply of articles needed to facilitate serving at the church. A list of needs has been posted in the church narthex for those who need suggestions.

Due to the Christmas holiday this meeting will be held on Tuesday, December 15, at 8 p.m. This meeting will be held at the home of Mrs. Harris Burke, 12 Woodland avenue, Daly City. This is located in the Knolls section of Westlake.

MARY Pat Gill, 5, eagerly watches the cookies that her mother, Mrs. Thomas Gill (left) and Mrs. James Davis are readying for the Cookie-Candy Sale sponsored by the Westlake Festival Committee of Our Lady of Mercy Church.

The sale will be held December 20.

Veterans' Office Tells Procedure On Benefit Checks

Benefit checks from the Veterans Administration may be sent directly to the beneficiary's bank for deposit to his account, the VA said today, provided the bank has been given the required power of attorney.

A special U.S. Treasury form is available for the purpose of assigning the power of attorney to the beneficiary's bank. This arrangement is convenient for veterans who travel and those who have frequent changes of address which make it difficult for them to receive their checks with regularity, the VA pointed out.

A complete explanation of the arrangement and the necessary forms may be obtained by contacting any VA office.

Contrary to former legal requirements that a check could not be forwarded to a beneficiary who has moved, checks in payment of monetary benefits may now be forwarded, provided the addressee has left a forwarding address with the post office, the VA said.

Catholic Men Set Breakfast

Westlake Catholic Men's Club will hold its first post-communion breakfast in Our Lady of Mercy Parish Hall following the regular monthly communion at the 8 o'clock Mass this Sunday, December 13.

A first class menu that will include ham and eggs will be attractively served under the direction of chefs Al Fambrini and Ray Forcina. The task of kitchen policeman will be handled by Bob Carberry.

Club President Frank Lawson, expecting a large turnout, wishes to extend a warm welcome to all new members of the parish who are interested in church activities. Lawson adds that although no special guest speakers are planned for this event, he is confident it will be a success.

ORT Women's Chanukah Meet Here Thursday

In the spirit of Chanukah, members of Northern Peninsula Organization for Rehabilitation Through Training will exchange gifts and hold a candle-lighting ceremony at their meeting this Thursday, December 10, at 8 p.m. in the home of Mrs. Frank Koplowitz, 18 Fairlawn drive, Daly City.

Mrs. Frank Gold is in charge of the program. The following will participate, the Mesdames: Frank Bernstein, Morton Dobrow, Isaac Goldberg, Kurt Goldstrom, Ben Grubstick, Paul May, Sam Peitchel, Abe Sanoff and Dorothy Ulrich.

Holiday Fires In '58 Took 23 Lives--Be Wise And Be Safe!

Fires across the nation have killed 23 persons, most of them children, on the eve of the Christmas holiday celebration.

All but 10 of the victims were children eagerly awaiting the excitement and gifts of Christmas.

That was last year. Will it happen again this year?

And the saddest thing is that such tragedies often occur around the Christmas holiday—sometimes even around the Christmas tree itself—at the happiest time of the year. The reason the tree burns so fiercely and so rapidly is because it's filled with pitch and resin—among the most combustible substances known.

What can you do about the tree?

Chief Elmer Kennedy of the Daly City Fire Department offers these 12 suggestions:

1. Choose a small tree. It's less dangerous than a large one.
2. Don't set it up until a few days before Christmas. Until then keep it outdoors. This will keep it moist and fresh.
3. Place it in the coolest part of the house, away from fireplaces and radiators, and don't let it block an exit.
4. Stand it in water, or use a live tree planted in a tub of earth.
5. Never use untreated cotton or untreated paper for the decoration on or about the tree.
6. Do not put electric trains under the tree.
7. Use only electric lights, never candles, and see that the wires are never frayed. Be sure that the wiring sets for lights that you choose bear the markings of Underwriter's Laboratories Inc. That shows they have been tested for safety.
8. Provide a switch some distance from the tree for turning tree lights off and on. Don't plug or unplug them beneath the tree.
9. Throw away all gift

Unitarians To Elect Officers At Annual Meet

The first annual meeting of the Stonestown-Westlake Unitarian Fellowship will be held this Sunday evening at 8 o'clock at Stonestown YWCA, 33 Eucalyptus drive in San Francisco.

"The Spirit of Art and the Spirit of Man" will be discussed by members of the Fellowship. Questions from the audience will be presented to the panel.

By-laws will be forwarded for adoption and a board of trustees will be elected. The Rev. Harry B. Schofield of First Church of San Francisco will address the group to highlight the important ceremony.

Daly City Sailor Back From Orient On USS Lexington

William H. Silver, electronics technician seaman, son of Mr. and Mrs. William R. Silver, 198 Skyline drive, Daly City, returned to San Diego last week aboard the attack aircraft carrier USS Lexington after a seven-month tour of duty with the U.S. Seventh Fleet in the Western Pacific.

Besides participating in various operational exercises, crewmembers visited Hawaii, Japan, Hong Kong and the Philippines.

wrappings as soon as the gifts have been opened. Don't let them pile up near the tree.

10. Do not leave the lights burning when no one is at home.

11. If needles near the lights turn brown, move the lights.

12. When needles start to fall, take the tree down and discard it.

REVEREND HODGES NAMED CHAIRMAN BY SF COUNCIL

The Rev. Lynn Hodges, minister of Westlake Community Baptist Church, has accepted the chairmanship of the Communications Committee of the San Francisco Council of Churches. His appointment was confirmed by the Council Board of Directors at their meeting on Monday.

In his new position, Hodges and his committee will work in the field of relationships with newspapers, radio and television in behalf of the Protestant and Orthodox churches in the San Francisco area.

The new chairman just recently assumed the pastorate of the Westlake Community Baptist Church in Westlake.

NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE

No. 27338

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO.
In the Matter of the Estate of
LAURA MILLER, Deceased

NOTICE IS HEREBY GIVEN that the undersigned, PAUL B. JENSEN, administrator of the estate of LAURA MILLER, Deceased, will sell at private sale on the 15th day of December, 1959, at 11:00 o'clock A.M. of said day, or after said day, to the highest and best bidder, upon the terms and conditions hereinafter set forth, and subject to confirmation by the above-entitled Superior Court, all the right, title, interest and estate of decedent which decedent had at the time of death, and all the right, title, interest and estate which has since accrued, by operation of law or otherwise, to the estate of said decedent since decedent's death, in and to the following described real property:

An undivided one-half interest in real property in the City of Daly City, County of San Mateo, State of California, described as follows:

BEGINNING at a point in the Westerly line of San Diego Avenue, distant thereon S. 0° 04' W. 218.93 feet from the Southerly line of San Mateo Avenue, formerly Merced Avenue; thence along said line of San Diego Avenue, S. 0° 04' W. 25.43 feet; thence leaving said line of San Diego Avenue, N. 79° 19' 1/2" E. 25.11 feet; thence S. 79° 19' 1/2" E. 94.90 feet to the point of beginning, BEING Lot 35 in Block 13 as shown on that certain map entitled "Map of Hillcrest Showing Subdivision" filed in the office of the County Recorder of San Mateo County on March 14, 1907 in Book 14 of Miscellaneous Records at page 232 and copied into Book 19 of Maps at page 18.

The terms and conditions of sale are as follows:

Cash, lawful money of the United States; ten per cent (10%) of the amount bid to be paid at the time of the acceptance of the bid, the balance on confirmation of sale by the Superior Court, the deeds and instruments of title to be at the expense of the purchaser.

All bids and offers must be in writing, and may be left at the office of PAUL B. JENSEN, Public Administrator, Court House, 2230 Broadway, Redwood City, California, or may be delivered to said administrator personally in said County of San Mateo, or may be filed in the office of the Clerk of this Court, at any time after the first publication of this notice and before the making of the sale.

Dated: November 18, 1959.
PAUL B. JENSEN
Administrator of the Estate of Laura Miller, Deceased.
KEITH C. SORENSON,
District Attorney and Attorney for Public Administrator Paul B. Jensen.

Christmas Presents Will Be Appreciated By The Older Folks

There are 1600 people at Laguna Honda Home who really deserve a wonderful Christmas. Although the city provides the bare essentials, it is up to those more fortunate to give the older a real Christmas.

The Laguna Honda Volunteers, whose heart and soul are in the Home, are determined to make this the best Christmas the residents of Laguna Honda ever had. They hope every individual, every organization will help this become a reality by collecting NEW gifts. Many things are needed so that each elderly man and woman will receive several presents.

Nothing should be wrapped, because crews of volunteers do this to make sure that every patient gets a nice variety. All new gifts are acceptable, no matter how small or inexpensive... candy, cigarettes, toilet articles, books; anything your heart dictates.

The public is asked to help by bringing or sending as many NEW unwrapped gifts as possible no later than December 15 to the Volunteers, Laguna Honda Home, 7th Avenue at Dewey Boulevard, San Francisco.

Please, everybody, help make this the best Christmas the people at Laguna Honda Home ever had!

Glee Club To Entertain At Snell PTA Meet

A Christmas program is planned for next Tuesday's monthly meeting of James L. Snell PTA at Garden Village School's multi-purpose room.

In the spotlight will be the fourth grade glee club, directed by Mrs. Patricia Hackett.

The faculty and executive board invite all parents to

INVITATION FOR BIDS

GENERAL PERSHING ELEMENTARY SCHOOL

Notice is hereby given that the Jefferson Elementary School District, an elementary school district, San Mateo County, California will receive complete bids for furnishing all labor, material, transportation, plant and services for construction of the General Pershing Elementary School and all appurtenant facilities on public school property in Daly City, San Mateo County, California. Each bid for the project shall be in accordance with the plans, specifications and other contract documents for the project.

Copies of the plans, specifications and contract documents are available at the office of the Architect Angus McSweeney, Inc., 2960 Van Ness Avenue, San Francisco, California, where they may be examined and copies obtained by General Contractors licensed by the California State Contractors' Bureau. Plans, specifications and contract documents may be obtained upon deposit of a certified check in the amount of \$50 for each set. The deposit will be refunded upon the return of such copies in good condition within five days after the bid opening.

Bidders are responsible for examining the contract documents to assure a complete set.

Bidders are hereby notified that the wage scale prevailing in this area, and set forth herein and in the contract documents, has been adopted by the School District as the rates which shall be applied to the project. The wage rate applicable for a craft not hereinafter listed shall be the rate prevailing for such craft adopted by the San Mateo Building and Construction Trades Council.

Bids shall be made on the forms included in the specification and shall be accompanied by a certified check or bid bond for ten (10) percent of the bid amount. The above-mentioned check or bond shall be given as a guarantee that the bidder will enter into a contract if awarded to him. The sum will be declared forfeit if the successful bidder refuses to enter into said contract.

Sealed bids will be received until 2:00 P.M. December 21, 1959, at the office of the District Superintendent of Schools of the Jefferson Elementary School District, 48 Park Plaza Drive, Daly City, San Mateo County, California, when all bids will be publicly opened and read.

The Board of Trustees of the Jefferson Elementary School District reserves the right to reject any or all bids and to waive any informality in the bid.

No bidder may withdraw any bid submitted by him for a period of 30 days after the date set for the opening thereof.

Westmoor Girl Winner Of County Grant

For the third consecutive year, students at Menlo-Atherton High School were awarded top financial grants in the student research training program of the San Mateo Heart Association. Awards were made December 3 to 26 students from nine schools in San Mateo County at the Villa Chartier.

Among the award-winners was Laurel Klaisner, a senior at Westmoor High School, who received \$38 to study the effects of aerating water on the growth of guppies. Her faculty advisor is Carl Kaufeldt.

Sequoia High School and Woodside High School shared second place honors, with three students from each school receiving grants. Two students from Hillsdale High School received grants, followed by one student from each of the following: Burlingame High School, College of Notre Dame, Half Moon Bay High School, and Westmoor.

Colma Man Retires From Civil Service

Three civilian employees at Oakland Army Terminal's Operations Division retired recently after a total of 40 years in Civil Service.

Senior in time was Charles W. Meighan with close to 17 years. His service included four military years and the rest as a civilian with Overseas Supply Agency, Cargo Division, ANSIA, and the Naval Air Station before coming to the Terminal. He resides at 1176 Nimitz drive in Colma.

come and extend Christmas greetings.

Benjamin Franklin Adult School Has Class Openings

The Benjamin Franklin Adult School, 750 Eddy street, announces that there are a limited number of vacancies in the day class in shorthand dictation and transcription. This class is designed for those people who have a knowledge of shorthand but whose speed and facility in transcribing are not up to commercial standards. Persons enrolling in this class will be given dictation at speeds designed to increase their ability to take rapid dictation. They will also be instructed in, and get practice in, transcribing letters. The transcription will also include practice in letter placement, grammar, punctuation, and general stenographic procedures.

Any adult 18 years of age and older is invited to attend this class. The class meets Monday through Friday from 1 to 3 p.m.

These classes are offered free of charge as a public service of the Adult Division of the San Francisco Unified School District.

Westlake Couple Honored By Firm

Mr. and Mrs. A. Williams, 17 Southdale avenue, Daly City, recently went to Palm Springs as guests of the W. P. Fuller and Company, paint and glass firm.

Al earned the trip as a new member of the firm's Pace-maker's Club, comprised of top salesmen each year. The Palm Springs conference lasted four days.

WHITE PELICANS

White pelicans, according to the National Automobile Club, are one of our largest American birds. Their wingspread reaches nine feet.

McGrath, Matisi Pick Local 'Dream' Teams

Joe McGrath, football coach at Jeff High since 1952, and Pete Matisi, head man at Westmoor since 1957, recently picked their outstanding players at each position since they've been at the schools.

McGrath's dream team consists mostly of players from 1953 to 1955 while Matisi's is of later years since the Rams have been playing varsity competition only three years.

The picks, including the outstanding year for each performing, are:

End	Jim Miner	53	Sid Swanson	57
End	Pete Garcia	57	Chris Hanson	59
Tackle	Vic Irons	52	Andy Saranchock	59
Tackle	John Madden	53	Larry Selig	59
Guard	Bill Elodstra	53	Paul Gioni	58
Guard	Jack Thur	56	Jim Heick	58
Center	Don Wiesner	55	Darryl Ober	58
Quarterback	Ray Rosa	53	Dave Simons	58
Halfback	Ron O'Rourke	55	Tom Dale	59
Halfback	Jim Honeywell	55	Tom McHugh	58
Fullback	Nick Bockwinkle	52	Tom Reller	58

In addition, Matisi said it would be hard to leave some 1958 performers off the team and named as alternates Rich Blake, more, an end, and tackles Jerry Evans and Bob Porras. Porras was co-captain of the 1959 eleven. The other captain, Jim Heick, played quarterback this year, but Matisi cited him as being more outstanding at the guard spot.

McGrath stated it would be hard to pick the most valuable of his eleven choices, but noted that it would be hard to leave out Rosa, a quarterback, who was an excellent punter. He was another griddier. He was an end, a right end, 35 1/2 inches in 1953.

The point of beginning, Ming Lot 35 in Block 13 as shown on that certain map entitled "Map of Hillcrest Showing Subdivision" filed in the office of the County Recorder of San Mateo County on March 14, 1907 in Book 14 of Miscellaneous Records at page 232 and copied into Book 19 of Maps at page 18.

The terms and conditions of sale are as follows:

Cash, lawful money of the United States; ten per cent (10%) of the amount bid to be paid at the time of the acceptance of the bid, the balance on confirmation of sale by the Superior Court, the deeds and instruments of title to be at the expense of the purchaser.

All bids and offers must be in writing, and may be left at the office of the County Recorder.

INDIANS, RAMS CAGE PROSPECTUS

By LOU LUCIA

Jeff High's fortunes may rest in the hands of two juniors though the other five of the first seven are all seniors.

Gary Molossi, an ALL-Peninsula League 130 pounder last year, will have to come of age quickly to help mold the Indians into a contender. Hiram Sibley, 6-3 Elzy, Nevada transfer, may turn out to be pure gold for Coach Mike Orlich.

Molossi has started the season slowly, not being panicky at the start, but as the season ages on the 5-11 lad will probably be one of the mainstays of the Indians. He has a jump shot that clicks when it hits the bucket. Sibley is the largest of the Indians and will have to watch his over-anxiousness. He commits fouls that are sometimes unnecessary.

The seniors who will no doubt see plenty of action are Pat Bell, Jack Horn, Art Banos, Karl Keeling and J. B. Berry.

Bell, who plays back at the guard spot with Molossi, makes the right move at the right time. He knows when to cut and when to stay put. Besides being a fine ball-handler he can hit from outside. It may be a race between Bell and Molossi to see which will lead the team in scoring.

Horn isn't a monster at 6-1 but packs enough weight on his frame to qualify as a sturdy rebounder. He has the all important strength under the bucket to pull down balls that carrom off the basket.

Berry and Keeling are swift. They have the ability to get downcourt fast and score before the opposition knows what have hit them. Banos is still working out football muscles and doesn't have the natural ability of the others but makes up for it with determination and vigor.

While Westmoor has an unseasonable quality in left handers, Orlich helps to promote his club by facing only the toughest opposition. The minute Mike thinks the team he is playing in practice is a patsy he tries to cross them off the schedule next year.

Basketball is a game where ability does rub off. Much more can be learned from losing to a good club than beating a weak one. Orlich has produced very strong clubs in the past and may have one again this year.

STRENGTHS: Pat Bell, a fine ballplayer who does every phase of the game well. Speedy forwards who are suited to fast breaking. Brute strength though the club lacks size.

WEAKNESSES: A senior squad though there is only one returning letterman. Lack of rebounding tallness. A 'fouling' outfit which may have the opposition stepping to the free throw line too often.

STRENGTHS: The 5th Grade League, the Tigers remaining in first place tie with the BYA Hawks, who have already finished their season. The Tigers play winless OLPH this Saturday and a win produce the championship.

The 6th Grade PAL blanked the BYA 49ERS, 21-0, to pad their league lead. Keith Stoller scored all three PAL touchdowns. With two weeks remaining in league play, the only threat to the PAL lead is the BYA Rams. Their game scheduled for last Saturday against OLPH was postponed until a later date on the agreement of both coaches. The PAL Devils beat the Ben Franklin Middlets, 39-6.

The Daily City Merchants clinched the 7th grade title last Saturday when they defeated PAL, 31-6. The Merchants were led by Dewey Hought and Dan Driscoll who scored two touchdowns apiece. OLPH won their first league game when upset the BYA-SNELL Indians 18-12. OLPH was led by Barry Morgan who scored two TD's on a 22-yard punt return and 15 yard pass interception. The other OLPH score came on a pass from Danny Drew to Jerry Nolan good for 45 yards.

In the 8th Grade League, OLPH Oils took over first place when they defeated PAL, 28-0. The Oils were led by quarterback Ron Calavano who scored three TD's. He scored one on a screen pass from Dave Cericola good for 45 yards, the second on a 50-yard punt return. His final six-pointer was scored on a 55 yard end run. The final OLPH score came on a pass from Calavano to Dan Murphy. The BYA Coits laced Ben Franklin, 50-0.

Westmoor High's basketballers have an edge in a department that can't be seen on paper. It is generally acclaimed as being unorthodox but the Ram lefties seem to do everything right.

Three of the Rams probable starting five are left handers. At first glance this means little. However, most defensive moves are geared for the right-handed cager. Boys who have been playing ball for quite a while are constantly shifting to their left, a not uncommon move, because of mostly guarding the right hander from driving around him.

Having able left handers, therefore, is definitely an asset. And who would argue that Terry Christman, Barry Krohn and Bill Dougherty aren't able?

From the limited action we've seen, Christmas is the best shooter. His jump shoots from the edge of the key fly straight as a guided missile and pop through the net without touching the rim most of the time.

Dougherty, elected captain of the team last week, is a senior guard who also hits well from outside or goes half way in to make a jump shot. His shot looks almost two handed rather than from the southpaw side.

Krohn likes to drift over and get inside to use his muscles and jump shot in scoring. Rounding out the first five are Dick Reese and Clark Beerman.

Reese, across the court from Krohn at the other forward, is a steady performer and has court know-how. Beerman is the big man. At 6-4, the center has to supply most of the rebounding.

Coach Tony Giammona claims this to be one of his tallest squads but the first five averages out to about an even 6 feet. Two second teamers who have a good chance of breaking into the starting alignment are 6-1 Mike Daniels and 6-2 Andy Saranchock. Both are tough boardmen.

STRENGTHS: Good outside shooting. Experience in their favor. Better than average reserve strength. Five of the first seven are juniors or sophs and will be back again next year. Cool players.

WEAKNESSES: Taller than usual club but not muscular. Rebounding could be a problem. Defense problems at some positions.

California had 204 acres planted to chestnuts in 1958.

Westmoor Licks Lick For First Victory

Westmoor's basketballers won their first practice game of the season by licking Lick Wilmerdine, 54-41, with the scoring totals being as close as bees in a hive.

Doing the stinging scoring effect were Dick Reese, 12, Bill Dougherty and Terry Christman, 10 each, Clark Beerman, 8, and Andy Saranchock, 7 points. Coach Tony Giammona said Beerman and Barry Krohn pulled down most rebounds for his outfit.

Harry Brown's 9 markers weren't good enough to pull the 130's past Lick's Coach Byron Van Alstyne's lightweighters were overcome, 32-25.

The varsity lost to Riondian Crusaders last Friday, 57-46. The 9 point margin was the same as the half-time difference. Christman's long range jump shots were honeys, said the Rams couldn't catch up to the Crusaders.

The third man from the area is Allen Lanza, 17, 5-11 forward, who pushed them through for South City this year. Two other former Peninsula Leaguers are on the current SM club, Lee Jensen Jr., 18, 6-4 forward, from Hillsdale, and John Broadwood, 18, 6-2 forward, from Burlingame.

playmaker on the 1955 squad, are the two Daly City boys.

Reitz, 18, 5-11, is a terrific shooter who can pop with the best of them, according to Orlich. Lagomarsino, 22, 5-8, spent one semester at CSM before joining the Army for a three-year hitch.

Two former outstanding Jefferson High guards and a South San Francisco forward should bolster a usually contending College of San Mateo five this year.

Roy Reitz, All-Peninsula League guard last year and holder of the loop record for points in one game with 33, and Al Lagomarsino, described by Coach Mike Orlich as a good ballhandler and

outfit.

Reitz, 18, 5-11, is a terrific shooter who can pop with the best of them, according to Orlich. Lagomarsino, 22, 5-8, spent one semester at CSM before joining the Army for a three-year hitch.

Coaches Here Give Lowdown

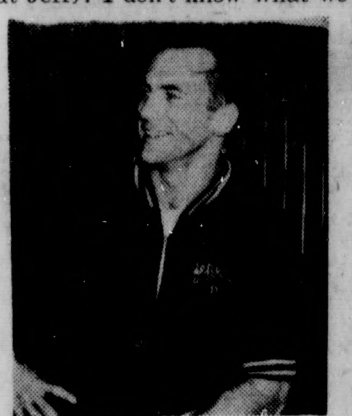

TONY GIAMMONA (PE head at Westmoor): If the school goes on double sessions next semester we'll miss a few sophomores from Pacific but we'll retain some able seniors. The following year it will be hard to get along in tough athletic competition without the Pacific group.

ROD LOSBERGER (Westmoor Baseball Coach): I'll have nine first stringers returning this year at the squad consisted mostly of sophomores and juniors last year. We should be one of the more formidable clubs in the Peninsula League.

TONY GIAMMONA (same as above with different hat on, varsity basketball coach): Howard Sundberg (second team ALL-PL football end) could prove to be the toughest basketball center in the league. The Mills High lad who transferred from Lowell in San Francisco has two years varsity competition under his belt. At 6-6 and 220 pounds he's a real threat.

MIKE ORLICH (basketball coach at Jeff): I planned to have Alan Lee, 6-2 letterman, as part of a three-man rebounding group with two dead-eyes popping from outside. However, the idea of a triple post went down the drain when Lee got hurt and was declared out for the season.

RICK WARNE (130's coach at Jeff): I don't know what we

... Rick Warner

have in the way of material yet, but one thing is for sure, we'll be a real small club.

Milk is accepted as the most important item in a child's diet for specific reasons related

POSSIBLE STRENGTHS, WEAKNESSES

Westmoor, Jeff Meet In Tourney Opener

Westmoor and Jefferson will try to decide which Daly City school has the best basketball team when the two clubs meet in the Peninsula League tournament at Mills High Thursday at 3:45 p.m.

In addition, both will learn the strength of other teams in the loop. One of the DC cage teams will have to get into the second round by this parring, and if they win this contest will move up the championship tilt.

Westmoor will probably bank on three returning lettermen, Bill Dougherty, Dick Reese and Clark Beerman and two ALL-PL 130 choices, Terry Christman and Barry Krohn. Coach Tony Giammona missed last year's tourney due to having an operation and being hospitalized. He'll be at bench-side this time.

At Jeff, Coach Mike Orlich hasn't decided who the players seeing the most action will be as of this early writing. With only one letterman back from last year's varsity Orlich is trying harder than a safecracker to find the right combination.

Last year Jeff finished third in the tourney, wins over Mills, 24-17, and Hillsdale, 48-29, doing the trick. The tribe lost to eventual winner Capuchino, 46-34, in the second contest. Orlich will not have the aid of Roy Reitz, who graduated, the top scorer with 48 digits in the three game settees.

The Rams also placed a now graduated student on the All-Tourney team, Ross Holmgren, while bowing to Burlingame, 26-23, and South San Francisco, 54-48.

Jeff High's Indians brought their first scalp back to their teepee Wednesday and it belonged to an Irishman. The Indians rolled to a 61-56 basketball practice win over the Sacred Heart Irish.

Gary Molossi came as close as possible to splitting his 21 points, tanking 10 in the first half and 11 in the second. In all the Indians converted 15 of 25 free tosses to pull away in this department as the Irish had but 8 attempts from the line.

Hiram Sibley impressed with heavy backboard duty along with Jack Horn. In addition, Sibley totalled 10 points. Pat Bell and set-shooting J. D. Berry, who connected on 3 long field goal attempts, had 8 markers apiece.

Coach Mike Orlich's crew hotter than a stolen car. Though two bank shots helped them pull away from the Irish at the beginning of the second half it must be remembered

that Orlich freely substituted at the end. Three quick two-pointers by Sacred Heart at this time made the Irish effort seem more respectable. Art Banos had little playing time in the second half but 6 big points.

Orlich said, "I'm very happy at this point in the season. A win over Sacred Heart looks mighty good."

Last week the Tribe took it on the chin, getting bounced by Washington, 62-31. Bell's 14 point spurge accounted for almost half of the Jeff points.

Orlich said, "I'm very happy at this point in the season. A win over Sacred Heart looks mighty good."
